DRACAENAS

There is no variety of foliage plant so attractive
as the highly colored Dracaena. The small and
medium sizes can be used to great advantage in
making up the popular Christmas and Easter
baskets, while the larger specimens have always
been in demand for decorative purposes. We are
now growing more Dracaenas, in great variety,
than any firm in the country.

MASSANGEA

The variety with the golden stripe down the
center of the leaf. The best of all Dracaenas for
the house. We have an exceptionally fine and
large stock, well colored and of the very highest
quality.
